Thank you all for helping me with My LOWE family. Grandparents, parents, my brother and me and my children and grand children, 1st-2nd gr grandchildren. I have sent the early Lowe Books and should be at at the library but starting these Books 1-2-3-4-5

Bk 5 will be my father's brothers & sister's line. I started doing genealogy in 1969 and all my grand parents were gone but had other members of their's could get info from. Otherwise I worked at the court house and library and cemeteries to find info that I could.

I with others spent many a week at the Ft. Wayne, library, Salt Lake City library, Madison, WI library and many hours at Columbia, MO library just about every year from when I started. There was 4 of us who went to Iowa City every month during the good weather but now one has moved, one has passed and the other can't get out any longer and no fun to go by your self. So decided it was time to stop. This was before the internet so didn't have that to rely on but was just as well as have found a lot of wrong info on the internet. (I can't say mine is all right either) As much of it was not able to be proven for sure so just had to go by what we could find. But if anyone has proof of what you find is wrong in any of my books I would appreciate knowing it. We know every one is not 100% right as no one is perfect, even in research. New Data June 2017-GLT

So hope these books will be appreciated and enjoyed as much as I had putting them together. But I think now is the time to turn them over to someone else to enjoy as I can't get to the libraries any longer and only the internet to rely on and that isn't as much fun as going to the places where your ancestor's walked themselves.

You will notice different address's but the one above is correct.

Husband	Tom Mapes (father)
Wife	Sherylnn Kay "Sheri" Houser
Notes HUSBAND - Tom Mapes (father) Sheri had a son fathered by Tom Mapes. They never lived together nor were they married but Tom did send support for Jason. WIFE - Sherylnn Kay "Sheri" Houser Added her bio and a pic of Sheri in Find A Grave Feb 23, 2017 Memorial # 176650251 (right now only way to get her on there is by using the Memorial #, hope I get it right soon) You can get to her father and brothers also from her number as put them in same time. Sheri started school in Davenport, IA and also went to school in Bad Nauheim, Germany for a year and then Murnau, Germany for a year. She picked up German very easily and in high school she took German, French and Spanish. She spent two years in Aberdeen, MD and came back to Davenport schools then graduated from Bettendorf high school Jan 1974 then she went to Scott Community College to get degree in Auditing, which she never used. Her only son Jason was born in Iowa City just after she graduated from College. His father was Tom Mapes and they never married. She lived in Minn. for some years after getting out of school then lived in TX for few years, Dallas and San Antonio where she worked as an insurance under-writer. Was a short time in Waco. This was about 1981 to 1988 when she moved back to Davenport, IA for a short time then went back to Duluth where she worked in insurance for a while then moved to Virginia, MN where she was asst. manager of a Hardy's for a while then had to quit work for while and planned to go back to school but hasn't yet. She and Jason like it there real well. He has had some trouble but is getting along okay now. They go camping in the summer and they have birds and Sheri has been painting the last few years so they keep busy. Jason just started a paper route this fall to give him some spending money. 1990-91 he is in the 6th grade. 1993- They are still living in MN and liking it. Sheri is working and Jason is in 9th grade, just turned 15 this summer. 1996 Jason turned 18 in June and is working full time and has his own apartment and things going okay for him and Sheri right now. 1996 Sheri bought a house in Virginia after she went on disability after finding out she had chronic fatigue syndrome, not life threatening but wasn't able to work and she got quite a bit of back disability with which she bought her house and a better car. She started working on her weight and by Mar 1997 she has lost over 95 pounds. She is feeling fairly good but has bad days as well as good. They claim this is a life long situation, won't get any better but could get worse. So she just takes one day at a time. 1998 Sheri and Jason were back for Chuck's funeral for a week. They got a computer and have been busy with that this year. 1999 Sheri has had her ups and downs but thought she may be able to work part time so started at a computer store in Jul. so will see how long that will work out. Jason has an apartment with 2 other boys and working at a place like 7-11 there. She came home for Thanksgiving for a week but Jason couldn't come and all was together. 2001 Things do change. Sheri had worked on her house she bought in Virginia for last couple years then decided she needed a change so bought an 18 ft motor home and decided to travel for year or two if it would work out. She left Virginia the middle of July and came to Bettendorf to spend some time with mother before going on then visited her father for while then on to who knows where. She is to keep us posted. Jason stayed in Eveleth and working at pizza place for now. and by Dec 2001 Sheri found a place in East Point, FL and liked it so well decided to stay thru next winter. Jason moved to Longview, WA with a friend and is working at a Dairy Queen there and seems to like it real well. 2002 Things much the same with Sheri but she did buy a truck as her car was not in good shape that she could pull with the motor home and stayed at East Point during the summer and now this winter 2002-2003. She had worked part time while there at a store on St George Island to pass the time as well. Her health has been up and down this past year also. Jason back in Mn and going to college for computer programing. 2003 Sheri came to Iowa for few weeks and went to MN as well. Still working part time at the store. 2005 Still in FL, had rented an apartment for about a year then in spring of 2005 she bought another motor home,

WIFE	- Sherylnn Kay "Sheri" Houser (Continued) better and larger then one she had before she moved into the apt. She just didn't like apartment living so was lucky to find another motor home that she could afford. She came to Iowa in Nov of 2005 and stayed between home and MN, visiting family and friends until Jan of 2006 when she went back to East Point, FL. Been bad hurricane season this year and they had 3 in the Gulf but none did any damage to her but the lot she was renting did get damaged in the first hurricane so she had to find another place and did but much more costly and by Nov she plans to be back to first one she was at. 2006 She wasn't able to work this year but few days as had several bad months with health problems No hurricanes in her area this year. 2007 Came back to Iowa 2nd week of April to visit with her father who was dying of lung cancer, bone, liver and brain as well in Mason City and stayed off & and in Bettendorf also.. Fast moving cancer. She is hoping to be able to work when she gets back in May this year. 2010 30 May, Sheri packed up from FL bought a trailer in Davenport. Her health had not been all that good for quite a while and so she decided maybe time to come back to this area. She had bought a van camper thinking would travel but health too bad now for that. Nov 2010 she had her son Jason come to live with her and see if he can get work here as hadn't had much in Duluth. She first bought a smaller trailer in a park and Jason lived with her then in 2011 She bought a double wide trailer down off Waverly in Ponderosa Park, real nice and so she and Jason moved there. Then I think April 2011 Gayle moved in with them. 2012 Jason moved out with a friend. Just too much going on with all of them there. Sheris health was going downhill since she got back here from all the things she had wrong with her. Under the circumstances she was lucky to make it as long as she did on her own. Mother was so glad she was back and thought she would spend a lot of time with her but she couldn't manage herself that well so wasn't what Mother had planned. 2012 she started going to Dr and thru 2013 having some test done to see if can find out what is going on as she has not been feeling well the last 2 years. Well she found out she MS in the 4th stage which is bad usually but they said she wasn't as bad as could be but will have spells off and on as not much can do and has probably had if for 30 years so. They have been working on Chronic Fatigue Syndrom and Fibermalgia and not looking for anything else till it got so bad she had to do something. 2013 Still doing testing but only thing they think will work is chemo and she isn't going to do that and changing her diet which we all did in Feb and I have kept it up but Gayle and Sheri has kind gone off it as Sheri is trying to concentrate on quitting smoking and having a harder time this time then last. Gayle is just lost so she didn't think anything would help her. Waiting for someone else to fix what she has to fix herself and can't seem to get that thru her head. Sheri was a grandmother 28 Nov. 2013, which happened to be Thanksgiving Day this year. Jason and Danielle Andresen to have a boy they are going to name Charles (after Chuck) Gwen (after her family) Houser. Will get md sometime I guess. He weighed 7pd 13 Oz 19 in long. So far is healthy. Head of long black hair and very filled out. She would have been a grandmother again the 3rd June 2016, Jason had a girl Lillie Sherylnn Houser. Almost a week later on Wed her dog Toby died at age 14. (After Charlies was born) He had been sick for a while and know was acting different for while but didn't think was close to dying. Took him to Vet but couldn't revive him. He will be cremated but not sure where she is going to bury him. 2014 Gayle has her own trailer and Sheri has rented the front of her trailer to 2 gay guys with a special dog looks almost like Toby and seems to be working out good. Jason is still there but suppose to be out by 1st may as he has had no job since last year when Mediacom wouldn't take him back in Jan. Now it is April and Sheri has gotten a Quaker parakeet to keep her company. Less work then a dog. But found she was alergic to feathers so gave it to Jason. Then she got a dog but he was too wild and so had to take him back to shelter as he required too much for her to take care of. 2014 Sheri found out she has 4th stage M.S. since end of last year and they said she has had it probably some 20-30 years but just now getting worse. June 2014 Sheri came up with starting a charity called Quad City Plant Deva's and got a lot of people that have wanted to help her with it. Getting plants from all the stores that throw them away at end of the season and so they said she could have them so she could give them away to people that can't aford to buy them.

Notes	WIFE - SheryInn Kay "Sheri" Houser (Continued) Then by 2015 she wasn't able to do any of that as she was not having many good days from MS. and suppose to be on oxygen 24/7 and she had trouble with that. She had just the four of us at her place for dinner on Christmas Eve which we had never been before, thought rather strange but had a nice time then she said lets do it again for New Years day all the family for brunch so had planned on it but didn't go as planned. She knew she would be a grandmother again as Jason and Danielle were going to have a girl this time 3 June 2016 but didn't deter hier plans anyway I guess. They named her Lillie SheryInn Houser. Whole year of 2015 was not good for her and had went to many Dr's and none of them could or would help her and finally the MS got the best of her and on Friday afternoon Jan 1, 2016 at 1:30 she passed away unexpectly at home with her son, Mother, brother and sister there. She will be cremated by Runge Funeral Home, no service. Just 1 1/2 month shy of age 60. Her obit was at Runge Mortuary internet site and also Quad City Times paper. In Memory of SheryInn Kay Houser Feb 7, 1956-Jan 1, 2016 "SheryInn Kay "Sheri" Houser, 59, passed away unexpectedly at her home Friday, Jan 1 , 2016. Her Mother, brother, sister and son were present. As for her wishes, she will be cremated and there will be no services. Runge Mortuary is assisting the family. She had been sick for many years, but always managed to make a life for herself up until the last battle with MS took her down the last four years, and no one seemed to be able to help her, but she fought it with her last breath. Sheri was born Feb 7, 1956 in Davenport, Iowa, the daughter of Jerald Larry "Jerry" Houser, dec'd 7 April 2008, Mason City, Iowa and Gladys L. (Lowe) Houser. When her mother remarried in 1965, they spent two years in Germany and one year in Aberdeen, MD and then back to Bettendorf, Iowa and she graduated from Bettendorf High in 1974 and then went on to study accounting and business management at Mary Crest and Scott Community College, an Augustana. Before her health got too bad she moved to Virginia, Minnesota, Dallas, San Antonio, Texas where she worked as an insurance underwriter until she moved to Florida for nine years, then the last four years she was back in Davenport IA. After she moved back here and was not able to work, she took up making jewelry, outdoor yard art, working in the yard and loved to read and travel and helped her mother do research on her dad's family and her mother's family. Those left to honor her memory include her son, Jason B. Houser (Danielle Andreson) and their son Charles Gwin Houser of Walcott, Iowa, her mother, Gladys (Lowe) Treadway, of Bettendorf, Iowa, sister, Gayle R. Bush of Davenport and her three children, Misty (Matt) Parenzan and their six children.(they have 9 now in 2016) of Florida, Caanan S. Bush, Seattle, Wash, Brittany R. (Bush) (Sergio) Mallas, of near Los Angeles, Calif.; her brother Larry M. Houser, presently of Davenport, as was livng with his sister to help her; her Uncle Charles E. Lowe, Rock Island, IL and his son Mark E. Lowe and family her Aunt Mary Ellen Miller, Corydon, Iowa and her Uncle David Miller and family of near De Moines, Iowa; Step grandfathers three children from former marriage. She was preceded by a brother, Mark Allen Houser, who died shortly after birth 1962, her father, Gerald L. Houser, his parents and her stepfather, Chief Warrant Officer 2 Charles L. Treadway dec'd 3 Mar 1998 and Uncle Marion Dale Lowe who died in infancy 1950. Her grandparents, Willard H. Lowe and Rovene Melvina (Dyer) Lowe Schurr and step grandfather, Harold G. Schurr. Memorials may be made to the family to go to her favorite charties." Last time we were togther was Christmas Eve for dinner at Sheri's then she planned to have all of us to her place on New Years Day an that was the day she passed away. Police said lack of oxygen among other things. (thought was so careful and everything was right then found listed stepfather instead of step grandfather. Hope got all mistakes replaced. Guess you can't win them all) Jason didn't want her trailer so Gayle and Steve bought it and Gayle sold her's and she really fixed it up real nice. CHILD 1 - Jason Blair Houser Jasons father was Tom Mapes, who he met for the first time in 1990. He lives in Davenport is married and has a couple children.

Notes

CHILD 1 - Jason Blair Houser (Continued)

Jason was always a good kid but he was so used to being on his own he resented anyone telling him what to do. Which eventually caused him to have more problems and he and his mother went into therapy which did help after spending several months in a home in Duluth, MN. That really turned him around. He worked there and went to school and they took a rafting trip to CO then after he came home, he was allowed to go with them to CO again on a skiing trip. He likes to ski and is getting quite good at it.

He has had a paper route and helps a band set up and take down their equipment and one of the band members is teaching him to play the keyboard and he is enjoying that.

He is in the 9th grade and turned 15 in June 1993.

1996- Jason is 18 and has his own apartment and car and has full time job which he likes working at at Pizza restr.

1997-1998 Had different jobs, different cars and different apartments and had a good job at a casino cooking but had a time getting to work without a car so 1999 back home but working at Finger Hut in Virginia.

1999 was laid off from Finger Hut when they changed his job there so he looked for while and finally found a job at a place like 7-11 so got an apt. with 2 other boys he knows.

2002 Spring, Jason moved to Longview, WA with a friend and works at a Dairy Queen there and seems to like it.

Later in the year Jason moved back to Duluth, MN and started college in computer programing.

2004-2005 2006-2007 Has been working in Duluth, MN at a computer company. But lost his job there.

2010 he moved to Davenport and lived with Sheri in small trailer then Sheri bought a larger one and he stayed with her for while till his drinking problems got too bad and she told him he had to leave and Gayle was still there and having her problems as well as Sheri.

2013 Jason met Danielle Andresen and seem to hit it off right away, Jul just had been together for 9 months and she was 5 months pregnant due in Nov. They know it is a boy and will call him Charles (after Chuck) and Gwen (after her side of family) and he will be called Charlie. They will get married sometime.

So Sheri let him come back to live for 3 months till they could save some money to get an apartment. She works full time as does Jason and has been with Medicom for couple years. Then wnet to work for a computer co.

2013 Just after that things went south as Jason had a wreck with Sheris van she just got and he had been drinking so lost his licence for 6 mo. and had to pay \$2000 find which he hasn't done, nor has he had a job since Medicom wouldn't take him back as they said they would so he has been out of work and only thing saved him for while was unemployment an now that is gone and Sheri has told him he has to leave by 1st May, job or not so will see if she changed her mind again.

Danielle won't get married till he gets a job and they can get an apartment. Which is now almost end of Apr and nothing has changed with Jason to date.

2014 Jason and Daneille bought a moble home at the edge of Walcott and really is nice one.

20 Apr 2014 Jason and Danielle are going to have Charlie Baptized at the Immanuel Lutheran church, 3834 Rockingham Rd. in Davenport, IA. Danielle is to baptized at same time. Easter Sunday All her family and all of Jason's will be there.

Jason got the marriage licence 3rd week of Nov but is middle of Dec 2015 and they haven't gotten married yet but should be any time.

Jason and Danielle had a daughter Lillie Sherylnn Houser 3rd June 2016 and few months later they had her baptized and family was there.

Jason and Danielle have been together since 2013 and moved in together 2014, rented an apartment in Walcott for while then bought a mobile home in Walcott after having Lillie.

2017 Jason has not had a job all year and has been taking care of the kids while Danielle still works at Walgreens. Jason lost his licence 2017 and not able to drive till did a lot of stuff and had it all done but one thing to get licence

CHILD 1 - Jason Blair Houser (Continued) back but hasn't done it yet. Tried to get job in Walcott and couldn't so till he can drive again he will watch the kids apparently. I helped them out a lot after Sheri passed away as she was helping them then and finally I had to say enough is enough. So they are getting along on their own. Gayle and Steve bought Sheri's mobile home from Jason and is paying him for it so almost enough for him to make payments on their mobile home. They are hoping to get Little Charlie in pre school by spring as have a church in Walcott that he can go to. Sure hope they can as he certainly needs the learning.

Davenport man pleads guilty in vandalism case

TARA BECKER
tbecker@qctimes.com

One of two people accused of vandalizing multiple cars in Davenport's west end in October pleaded guilty Wednesday in Scott County District Court.

Shane D. Wheeler, 26, pleaded guilty to first-degree criminal mischief, a Class C felony punishable by up to 10 years in prison. He will be sentenced Feb. 17.

In a written plea agreement filed Dec. 30, Assistant Scott County Attorney Andrea Glasgow wrote that prosecutors will not resist a sentence of supervised probation if Wheeler is deemed appropriate for placement in a residential corrections facility.

If incarceration is recommended, Glasgow wrote that prosecutors will recommend that the sentences run at the same time.

The recommendation is conditional on Wheeler paying restitution, she wrote.

Wheeler also must testify truthfully as to his own involvement and that of his co-defendant, Ralph A. Richardson III, 17, Glasgow wrote.

During the early overnight hours of Oct. 3 and into Oct. 4, and during the early morning hours of Oct. 5, Davenport police were called to more than 60 incidents of criminal damage in which vehicle windows had been shot out with a BB or pellet gun.

The incidents occurred between River Drive and Kimberly Road from Division Street west to the city limits. No one was injured.

A witness provided a vehicle and suspect description that led to a search warrant of Wheeler's residence, according to police.

Wheeler confessed that

he and Richardson shot out vehicle windows and did other damage as they drove through several west-end neighborhoods. Wheeler said the two shot at cars randomly and estimated they struck about 75 vehicles, according to police.

Richardson was charged as an adult with one count of first-degree criminal mischief. He has a final pretrial conference Feb. 3.

Wheeler has been in the Scott County jail since Oct. 13.

Less than a month before his arrest in the vandalism case, Wheeler was charged with breaking into a home and a truck. He was released from the jail after posting \$5,000 through a bail bonding company.

In November, Wheeler was charged with second-degree arson and trespass, a serious misdemeanor, stemming from an incident that happened sometime between Aug. 22 and 23.

Police say Wheeler and a juvenile co-defendant entered a locked, gated area of West Lake Park near a boat ramp and broke the metal chain that secured a 14-foot Crestliner boat. The two then drove the boat in the lake and set it on fire by uncapping the gas tank cap, pouring gasoline into the bottom of the boat and throwing a match onto the boat.

On Wednesday, Wheeler also pleaded guilty to third-degree burglary in the September incident and conspiracy to commit a non-forcible felony in the August incident. Both charges are a Class D felony punishable by up to five years in prison.

If a judge accepts the plea agreement at sentencing, prosecutors will dismiss additional charges of third-degree burglary and third-degree theft in the September incident and the arson and trespass charges in the August incident.

McManus

From B1

DeWitt, though he says he's in the process of moving to Scott County and hopes to do that within six months, or possibly a year.

McManus also is a veteran, serving in the U.S. Navy on an aircraft carrier during the Persian Gulf War and Operation Desert Storm/Shield. He was in the service from 1990 to 1994.

Ten people applied for the assessor's job, which pays \$87,000 annually. The examining board, which screens the candidates, recommended McManus. The conference board selected him unanimously.

The assessor's office employs seven people. They are charged with valuing property, a key component for figuring real estate taxes. It also must keep

pace with changes in state law. Among the biggest changes in recent years came in 2013, when lawmakers reduced commercial property taxes, along with other changes.

The law also created a dual class of property for commercial and residential uses. Those changes have been implemented, but McManus noted they must be maintained.

McManus said a goal of his is to make technology "a bigger part of the office." That could include outfitting people in the field with laptops or tablets.

Initially hired by the city for his information technology skills, he said he finds his new job challenging both inside the office and in the field.

"Being out, seeing the public, interacting with them, shaking hands. That's the part of the job I like the most," he said.

Shooting

From B1

Turner was convicted of second-degree burglary in Muscatine County. In February, he pleaded guilty to being a felon in possession of a firearm in Rock Island County and was sentenced to probation. A petition to revoke his probation was filed in September.

As a convicted felon, Turner cannot possess a firearm or ammunition.

Turner was able to evade the officer after a short pursuit, according to police.

The Biggert-Waters Act of 2012 caused several local homeowners' monthly flood insurance premiums to skyrocket.

In 1978, cities were required to produce flood-zone maps. The documents identified properties that would be subject to a 100-year flood, which is an event that has a 1 percent probability of occurring in any given year.

As of a year-and-a-half ago, about 362 Bettendorf homeowners had purchased flood insurance.

Meanwhile, Soenksen is handling the city's application for federal funds. In order to apply for the funds available to cities in Iowa — \$1.68 million in total — Bettendorf will front \$252,000, or a 15 percent match.

If Bettendorf secures the funds, Soenksen predicts the city potentially could acquire and demolish between 10 and 13 of those homes, all of which stand between 608 and 610 feet above sea level.

The application process, which the Federal Emergency Management Agency and the Department of Homeland Security oversee, could take several months, Soenksen noted.

BETTENDORF: FLOOD ZONE WORK

City hires appraisal firm

JACK CULLEN
jcullen@qctimes.com

The city of Bettendorf is seeking help to relieve property owners from extremely high monthly flood insurance premiums.

In hopes of assisting those who potentially face foreclosure, Bettendorf is applying for federal grant funds to acquire properties

within the city's 100-year flood zone.

Bettendorf City Planner John Soenksen recently sent letters to 743 properties along waterways in Bettendorf that are located within the city's regulated flood zone. Of those, 26 homeowners expressed an interest in potential buyouts, and 28 of the properties

remain vacant, Soenksen said.

"What we've always feared might happen may have already started," added Soenksen, who assumes individuals who formerly lived in those now-vacant homes have walked away from their mortgages. "You've got to think that's what's going on."

Convenience store owner reports non-stop sales

THOMAS REYER

Michael Akers of Galesburg, Ill., said he normally does not buy lottery tickets.

But when he walked into the Sara Mini Mart on River Drive in Davenport, he recognized one of the clerks and purchased

a ticket from her.

Akers said he usually considers the odds of winning too long.

"It's not something I normally spend money on, but I know the clerk, and I bought the ticket from her," he said. "Who knows, maybe I'll be lucky because of it."

As of 6:35 p.m., the lucky winning ticket would net him an estimated \$500 million, according to the Powerball website. The one-time cash payout

would be \$306 million.

Jesse Vasquez said he just got back to the Quad-Cities from a visit to Mexico and saw the amount of the Powerball jackpot.

"I bought 20 numbers, 10 for me and 10 for my company," Vasquez said, who said he is in real estate.

Dev Bastola, owner of the Sara Mini Mart, said the store normally sells about 100 Powerball tickets in a day. "Maybe we sell \$200 worth on any given

day," he said.

But Wednesday's sales were virtually non-stop.

By 6 p.m., he had sold more than \$2,600 worth of Powerball tickets, and there was a line of people waiting to buy theirs.

"It's going to be like this until the time to cutoff sales," Bastola said. "It's not a bad thing. It brings people into the store and helps my sales. It's the same thing for other stores that sell the tickets. In-store sales go up."

New Scott County assessor takes reins

McManus selected from among 10 applicants

ED TIBBETTS
etibbets@qctimes.com

For the first time in three decades, a new boss walked into the Scott County assessor's office this week.

Tom McManus, 44, the former deputy assessor for the City of Davenport, is replacing Dale Denklau, the longtime assessor

who retired at the end of 2015.

McManus said Wednesday that he feels he has big shoes to fill, but he's excited about the challenge.

McManus takes the job as the office is overseeing the re-evaluation of the residential property tax base in Bettendorf.

So far, he says, his first week has been a good one. "Very exciting," he said. "There's a lot to learn." Even though the city and county assessor's offices are

within close proximity to each other, they have different processes, McManus said.

McManus was chosen about a month ago by the Scott County Conference Board, which oversees the assessor's office. The board is made up of elected officials from the county, along with cities and school districts within its jurisdiction. (The City of Davenport has its own assessor.)

Davenport man will be sentenced in shooting

TARA BECKER

A Davenport man will be sentenced Feb. 11 on charges stemming from a shooting in September.

Kendale Lejon Turner, 25, pleaded guilty last week in Scott County District Court to charges of intimidation with a dangerous weapon without intent and possession of a firearm by a felon.

In a plea agreement filed Dec. 30, Assistant Scott County Attorney Will Ripley wrote that he will recommend incarceration on both charges, but will ask that the sentences run at the same time.

Turner has been in the Scott

County Jail since Oct. 2.

According to police:

About 12:30 p.m. Sept. 17, Turner got into a fight with three people in the 600 block of East 14th Street.

During the altercation, witnesses told police that Turner pistol-whipped one of the people with whom he was fighting.

He then drove away from the scene, drove east on 14th Street, and fired a handgun three or four

Davenport resident Sheri Houser rearranges donated plants to be given away Tuesday in her backyard garden inside the Ponderosa Mobile Home Park.

Q-C nurseries support effort by donating merchandise

Hidden within a Davenport mobile home park, one tenant has transformed her small, fenced-in backyard into a flourishing urban garden. Sheri Houser, 54, who moved into the Ponderosa Mobile Home Park off Telegraph Road in 2012, wondered last week what nurseries do with their leftover plants, and what she found out bothered her.

"They throw them away," she said under the shade of a silver maple tree in her backyard. "I'm a re-use, re-purpose type of person, and there are too many people out there who don't have access to fresh veggies or even flowers."

So, Houser created a Facebook page, Quad-City Plant Devas, to attract volunteers to help peruse various nurseries throughout the Quad-Cities for leftover

Iowa State University Scott County Extension's horticulturist Duane Gissel, said gardeners should get plants in the ground as soon as possible.

Gissel suggests that people should cut the buds off flowering plants once they're planted to produce more flowers.

As for tomatoes, which Sheri Houser has a lot to give away, "you can still put them in the ground," he said. "The main thing is to watch for water because the first few days are critical."

Tomato growers should water their plants at least every other day, if not once a day, he said, adding people can also add transplant fertilizer to spur growth.

vegetables, herbs and flowers. Within one week, with the help of 12 volunteers from other local garden organizations, Houser has collected hundreds of plants.

She will host a free plant giveaway from 8 a.m. to 5 p.m. Thursday through Saturday at her home, 4029 Chisholm Trail.

Houser chose the word "devas," a Sanskrit word meaning "shining ones," because she wants to "bring things into people's homes that brighten their days.

"We're all on limited incomes in here, so (the plants) definitely are going to be spread around the neighborhood," said Houser, adding that she hopes people from throughout the area take advantage of the free plants.

Houser, who has been struggling with fibromyalgia and multiple sclerosis for years, said she recently has felt better than ever, which sparked her idea to distribute plants to those who usually can't afford them.

"I've spent a lot of time not being able to do

anything, but now I have energy, and I've got to use it while I have it," she said.

Since July 1, Houser and other volunteers have collected donations from three local Hy-Vee stores in Illinois and Iowa, Menards in Moline, Walmart on West Kimberly, Davenport, Teske Pet & Garden Center in Bettendorf, Corn Crib Nursery in Coal Valley and Meyer Landscape & Design in Moline.

Throughout the Fourth of July weekend, Houser collected almost 70 flats of vegetables and herbs from Teske.

Lori Beck, Teske plant manager, said they donated about \$500 worth of plants.

"It costs more for us to

water them this time of the year, so we'd like to see them at a good home to get some use rather than being thrown away," Beck said.

While a portion of her yard is covered in shade, Houser hopes to yield a variety of herbs, tomatoes, peppers, cucumbers and lettuce that she planted on raised beds in her small garden.

"Nobody knows what it looks like back here," she said. "I'm making my yard a destination, a place I want to be."

Gayle Bush, Sheri's sister and next-door neighbor who will help with the giveaway, said he's happy to see Sheri so positive.

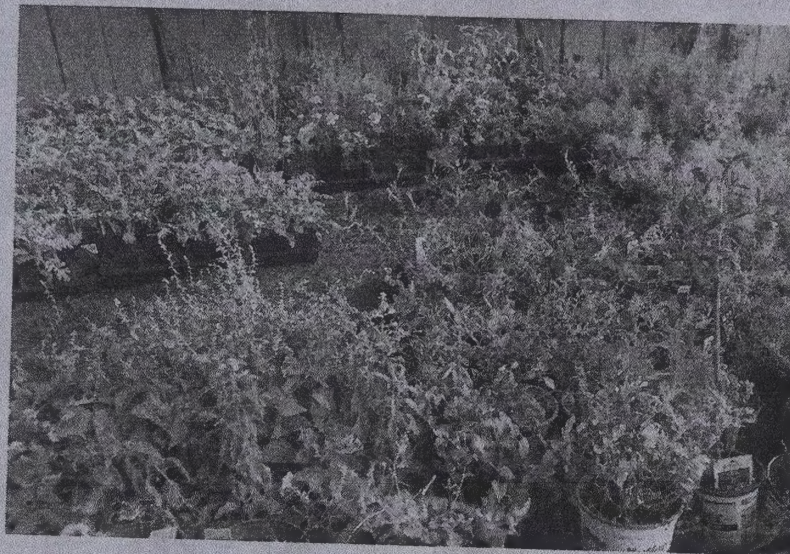

"She gets really passionate about anything

she gets involved in," Bush said. "This ground is not the best for growing, unless you really work at it, and she did."

Houser hopes to attract more volunteers and local organizations to continue donating plants.

Kurt Davis, who discovered Houser's collection of plants via Craigslist, dropped by Houser's home late Tuesday afternoon to pick up some herbs for his injured cousin.

"He's under a lot of stress, and I'm taking care of his garden and trying to get him in the right frame of mind," Davis said. "I've never heard of such a thing and never in the world would I guess it would be in a trailer park."

A portion of the plants that Davenport resident Sheri Houser has collected from various nurseries throughout the Quad-Cities rest in her backyard garden.

Houser helps rescued plants find new homes

BY SANDRA SEPIANIK
ssepaniak@qconline.com

DAVENPORT — A Davenport woman's backyard has begun to look like a jungle as she gathers and gives away unwanted plants to people who need them.

Sheri Houser, 58, has been working since June 30 to make sure that unsold plants from area garden centers do not go to waste. Coinciding with a yard sale she already had planned, Ms. Houser organized some of her friends and held a plant giveaway on Thursday, which was expected to continue into the weekend.

She also created a Facebook page called Quad-City Plant Devas to organize garden-lovers and find places that were getting rid of unsold plants.

Ms. Houser said she is putting forth the effort because she does not want to see the healthy plants be

thrown away, which is what happens when the stores cannot sell them.

In addition to donating to individuals and families who want the plants, Ms. Houser said she also has donated plants to some area organizations after they have expressed interest.

Ms. Houser has acquired various vegetables, flowers and herbs from retailers around the Quad-Cities.

"If I could get people to come get them, we could donate them to people preferably who can't afford them, who lost gardens, senior citizens," Ms. Houser said. "At this point in time, giving them a home anywhere is the important thing, because otherwise, they're just trash. It's a waste."

"Ultimately, we want the plants at least to go somewhere where they go in the ground and survive," she added.

Angie Vega, Aries Vega, left, and Alexander Vega, rear, search for plants at Sheri Houser's plant giveaway at her home on Thursday. Ms. Houser will continue to give away donated plants from area retailers at her home at 4029 Chisholm Trail in Davenport throughout the weekend.

Plants: Giveaway continues this weekend

From page A6

She explained that many of the local stores have donated their unwanted plants. Some of the places from which she has acquired the unwanted plants include local Hy-Vee stores, Home Depot, Wal-Mart and Teske's Pet and Garden Center in Moline.

"We've had a really good response. We still have quite a few that are not ready yet; they still have plants that they're trying to sell and not close to closing. They'll call us when they have other stuff ready to go," Ms. Houser said.

A group of four to five people pick up the plants from around the area and keep them at their homes until they can have a giveaway or find permanent homes for them.

"We're very, very, very new, and I found these people because I belong to some garden sites on Facebook," she said.

Ms. Houser said picking up the plants often involves taking her own car to the various sites and filling the car completely with the plants. She also has had to make multiple trips to and from certain points because there were too many plants to carry.

"I was driving through a jungle," Ms. Houser said, laughing.

By mid-afternoon Thursday, Ms. Houser tallied 22 people that had come to pick up plants. More were expected to come during the weekend and as late as Monday, including some youth groups and other charitable organizations.

There to help her was Susan Summers, who volunteered to come and help in the afternoon. She and Ms. Houser said that business went from being slow to suddenly picking up in the afternoon.

"It's kind of fun," Ms. Summers said of the sudden pickup.

Ms. Houser, who has multiple sclerosis, said that she still is looking for volunteers to help those who already are gathering plants from around the area. The benefit, she explained was that it would bring plants to those who cannot normally afford them or have to find alternative means to plant gardens for vegetables or decoration.

"Plants benefit everybody in the long run. I'm meditating when I'm gardening. It's a very calming, relaxing, it lowers your blood pressure. A lot of people feel the same way."

Notes

HUSBAND - Jason Blair Houser

Jasons father was Tom Mapes, who he met for the first time in 1990. He lives in Davenport is married and has a couple children.

Jason was always a good kid but he was so used to being on his own he resented anyone telling him what to do. Which eventually caused him to have more problems and he and his mother went into therepy which did help after spending several months in a home in Duluth, MN. That really turned him around. He worked there and went to school and they took a rafting trip to CO then after he came home, he was allowed to go with them to CO again on a skiing trip. He likes to ski and is getting quite good at it.

He has had a paper route and helps a band set up and take down their equipment and one of the band members is teaching him to play the keyboard and he is enjoying that.

He is in the 9th grade and turned 15 in June 1993.

1996- Jason is 18 and has his own apartment and car and has full time job which he likes working at at Pizza restr.

1997-1998 Had different jobs, different cars and different apartments and had a good job at a casino cooking but had a time getting to work without a car so 1999 back home but working at Finger Hut in Virginia.

1999 was laid off from Finger Hut when they changed his job there so he looked for while and finally found a job at a place like 7-11 so got an apt. with 2 other boys he knows.

2002 Spring, Jason moved to Longview, WA with a friend and works at a Dairy Queen there and seems to like it.

Later in the year Jason moved back to Duluth, MN and started college in computer proگرامing.

2004-2005 2006-2007 Has been working in Duluth, MN at a computer company. But lost his job there.

2010 he moved to Davenport and lived with Sheri in small trailer then Sheri bought a larger one and he stayed with her for while till his drinking problems got too bad and she told him he had to leave and Gayle was still there and having her problems as well as Sheri.

2013 Jason met Danielle Andresen and seem to hit it off right away, Jul just had been together for 9 months and she was 5 months pregnant due in Nov. They know it is a boy and will call him Charles (after Chuck) and Gwen (after her side of family) and he will be called Charlie. They will get married sometime.
So Sheri let him come back to live for 3 months till they could save some money to get an apartment.
She works full time as does Jason and has been with Medicom for couple years. Then wnet to work for a computer co.

2013 Just after that things went south as Jason had a wreck with Sheris van she just got and he had been drinking so lost his licence for 6 mo. and had to pay \$2000 find which he hasn't done, nor has he had a job since Medicom wouldn't take him back as they said they would so he has been out of work and only thing saved him for while was unemployment an now that is gone and Sheri has told him he has to leave by 1st May, job or not so will see if she changed her mind again.
Danielle won't get married till he gets a job and they can get an apartment. Which is now almost end of Apr and nothing has changed with Jason to date.

2014 Jason and Daneille bought a moble home at the edge of Walcott and really is nice one.

20 Apr 2014 Jason and Danielle are going to have Charlie Baptized at the Immanuel Lutheran church, 3834 Rockingham Rd. in Davenport, IA. Danielle is to baptized at same time. Easter Sunday
All her family and all of Jason's will be there.

Jason got the marriage licence 3rd week of Nov but is middle of Dec 2015 and they haven't gotten married yet but should be any time.

Jason and Danielle had a daughter Lillie SheryInn Houser 3rd June 2016 and few months later they had her baptized and family was there.

Jason and Danielle have been together since 2013 and moved in together 2014, rented an apartment in Walcott for while then bought a mobile home in Walcott after having Lillie.

Notes

HUSBAND - Jason Blair Houser (Continued)

2017 Jason has not had a job all year and has been taking care of the kids while Danielle still works at Walgreens. Jason lost his licence 2017 and not able to drive till did a lot of stuff and had it all done but one thing to get licence back but hasn't done it yet. Tried to get job in Walcott and couldn't so till he can drive again he will watch the kids apparently.

I helped them out a lot after Sheri passed away as she was helping them then and finally I had to say enough is enough. So they are getting along on their own.

Gayle and Steve bought Sheri's mobile home from Jason and is paying him for it so almost enough for him to make payments on their mobile home.

They are hoping to get Little Charlie in pre school by spring as have a church in Walcott that he can go to. Sure hope they can as he certainly needs the learning.

WIFE - Danielle Rae Andresen

Was age 31 in 2013 just before she had the baby. She and Jason are engaged but hadn't had time to get married as yet.

CHILD 1 - Charles "Charlie" Gwin Houser

Mother of Charlie was Danielle Andresen and they were engaged in Nov but didn't have time to get married as yet. Charlie was born on Thanksgiving Day 28 Nov 2013 about 5pm in afternoon. Weighed 7 pds 13 oz and was 19 in long. Had been told had an irregular heart beat a couple times but after born did not find one so will hope he will be healthy.

Mother is off work till 1st Jan then she goes back to Walgreens where she has worked for quite a while on Kimberly & Division. Her mother will probably take care of baby during the day then. Right now Danielle and Charlie are going back and forth between her mothers and Sheris. Sheri and Gayle taking turns watching him till she goes back to work.

20 Apr 2014 Easter Sunday Charlie will be Baptized at the Immanuel Lutheran Church at 3834 Rockingham Rd in Davenport, IA. Danielle will also be baptized then.

They moved to apartment in Walcott 2014 and a second baby is due summer of 2016.

Charles Gwin Houser is called Charlie and he was named for his father's grandfather Charles L. Treadway and middle name after Danielle's family.

CHILD 2 - Lillie SherylInn Houser

Named after Jason's mother.

Soon after she was born a big red spot came on her nose, and doesn't seem the Dr's know what it is or what to do about it. Certainly hope they do something soon.

SherylInn Kay "Sheri" Houser, 59, passed away unexpectedly at her home Friday, Jan. 1, 2016. Her mother, brother, and sister and son were present.

As for her wishes, she will be cremated, and there will be no services. Runge Mortuary is assisting the family.

She had been sick for many years, but always managed to make a life for herself up until her last battle with MS took her down the last four years, and no one seemed to be able to help her, but she fought it with her last breath.

Sheri was born Feb. 7, 1956, in Davenport, Iowa, the daughter of Gerald Larry "Jerry" Houser, dec'd 17 April 2007, Mason City, Iowa, and Gladys L. (Lowe) Houser.

When her mother remarried in 1965, they spent two years in Germany and one year in Aberdeen, Md., and then back to Bettendorf, Iowa, and she graduated from Bettendorf High in 1974, and then went on to study accounting and business management at Marycrest and Scott Community College and Augustana. Before her health got too bad, she moved to Virginia, Minnesota, Dallas, San Antonio, Texas, where she worked as an insurance underwriter until she moved to Florida for nine years, and then the last four years, she was back here in Iowa in Davenport.

After she moved back here and was not able to work, she took up making jewelry, outdoor yard art, working in the yard and loved to read and travel and helped her mother do research on her dad's family and her mother's family.

Those left to honor her memory include her son, Jason B. Houser (Danielle Anderson), and their son, Charles Gwin Houser, of Walcott, Iowa; her mother, Gladys (Lowe) Treadway, of Bettendorf, Iowa; sister, Gayle R. Bush, of Davenport, and her three children, Misty (Matt) Parenzan, and their six children, of Florida, Caanan S. Bush, Seattle, Wash., Britany R. (Bush) (Sergio) Mallas, of near Los Angeles, Calif.; her brother, Larry M. Houser, presently of Davenport, as was living with his sister to help her; her Uncle Charles E. Lowe, Rock Island, Ill., and his son, Mark E. Lowe and family; her Aunt Mary Ellen Miller, Corydon, Iowa; and her Uncle David Miller and family of near Des Moines. Stepfathers three children from a former marriage.

She was preceded by a brother, Mark Allen Houser, who died shortly after birth; her father, Gerald L. Houser; his parents and her stepfather, Chief Warrant Officer 2 Charles L. Treadway dec'd 3 March 1998 and Uncle Marion Dale Lowe, who died in infancy. Her grandparents, Willard H. Lowe and Rovene Melvina (Dyer) Lowe Schurr; and stepfather, Harold G. Schurr.

Memorials may be made to the family to go to her favorite charities.

Husband	Larry Martin Houser
Wife	Rebecca Jean "Becky" Brown
Notes	HUSBAND - Larry Martin Houser Larry started school in Davenport, IA then went to school in Bad Nauheim, Germany for a year then Murnau, Germany for a year and two years in Aberdeen, MD besides back to Davenport and Bettendorf. He quit school and went to South Dakota to Job Corps training to learn Waste Water Treatment and Forestry. He was in Joplin, MO for a while then came back to Davenport. He received a licence to operate in wastewater treatment plant which he did for a while when he came back to Davenport, but didn't care for it so decided to hang dry wall which he has been doing ever since. Larry had open heart surgery in 1969 at the age 11 while we were stationed in Aberdeen, MD at Walter Reed Hospital in Washington DC. Came through it great, after two weeks he was back in school doing just fine. He met Becky in Davenport and they were married at the Berean Baptist Church at 13th and Clark St in Davenport. The reception was held at her parents home after the wedding at 1441 N. Lincoln. The wedding rehearsal supper was given by Larry's parents and held Friday night 25 Nov 1977 at Chef's Hat on West Locust St. A shower was given for Becky at the home of the maid of honor on 15 Nov. Larry was working for the Wastewater Treatment plant at the time then got laid off then went to work for Treadway Texaco besides hanging dry wall. There wasn't a lot of work so he decided to travel and hang dry wall where ever he they worked in CO, FL and 1982 came to TX, and lived in Carrollton, TX for a while then to AZ for short time and back to Davenport. He worked between there and Chicago and then went to PA in 1988 to work. He and Becky had no children. By 1989 he was divorced and went to live in Hazelton, PA and work there as was much work hanging dry wall at the time. He met Diane Froymoyer and after a while they moved in together and Larry was helping her raise 2 of her children. Which is where he is living now.-1993. (off & on 1995). Larry & Diane were in Bettendorf 1992 and Larry came alone in July 1995. 1997 Jan, Larry came back to Bettendorf and going to see if any work here. He went to stay with Gayle for a while then she moved out and he kept her apt. and found work off and on. 1998 still in Bettendorf and working. 1999- Still working some and living in Pleasant Valley for the time being. His open heart surgery doesn't seem to have slowed him down any but he does have a lot of back problems so probably in time he will have to find something else to do. 2001-02 Still working in and around Davenport and living in Pleasant Valley. 2005 Nothing has changed for him. 2010 nothing changed, still living in Pleasant Valley and doing odd jobs to keep going I guess. 2011-12 still the same as before. Living in Pleasant Valley. Did buy Sheris motor home in hopes to fix it up so he could use it but again needed more work then they thought. So he will use it in PV. But decided it cost too much so sold it. 2016 still living in Pleasant Valley when he isn't working out of town someplace so nothing much has changed for him. Except when his sister died 1 Jan 2016 he decided he might be wise to quit smoking if could go thru what she did. Don't know if he has or not. 2018 still living in Pleasant Valley and working when he can, same work as he has always done, dry wall, mowing, shoveling snow and anything else that comes along. WIFE - Rebecca Jean "Becky" Brown Larry and Becky were married at her church, Berean Baptist Church of Davenport. They lived in Davenport, IA for a while then they went to Florida, Texas and Arizona where Larry was working at hanging dry wall. The last few years before they were divorced in 1988 they were living with her folks and Larry was working in Chicago most of the time. They were separated in 1988 and Larry went to PA to work. Becky married 2nd to Robert Alan Wren and lives in Davenport. She works for the Home Care (Visiting Nurses & Homemakers of Davenport). (12 Aug 1990?) She divorced him few years later. By 1997 had married Steven Kane and had a baby girl, Breanna who was born abt Jul 1997 and living in Bettendorf,

Husband	Randell Scott "Randy" Bush
Wife	Gayle Renee' Houser
Notes	HUSBAND - Randell Scott "Randy" Bush BIRTH: Randy was born in Gatesville, TX. MARRIAGE1: Married in Gatesville, TX, home of wife's parents. This marriage ended in divorce. MARRIAGE2: Married in CA. Maybe in Newbury Park, CA as that is where they were living at the time to Arla (?) They were divorced MARRIAGE3: Married in Boulder, CO to a Sue, he met while in Porto Rico from Canada, not sure the date. Was the 14th Aug 2008. They went to his daughter Brittany's wedding in Cancun, Mexico for a week around the 14th of Nov 2015. Believe wifes name was Sue. PARENTS: Randy's father died when he was still in school and his mother died just after he was out of school. Randy had one half brother who lives in Gatesville, TX and two brothers, Monty and Ricky who are both married and also living in Newbury Park, CA. and all working at the same Amgam (Amjam)? plant. Randy and Gayle were separated July 1987 and he kept the children. Had a hard time working and trying to raise them but did okay. They were divorced Jan 1990. By this time Randy was in California working and Gayle was back in Davenport, IA. The children were staying with Gayle during the school year and with Randy during the summer. 1993- The kids came back to live with Gayle for 2 years. Randy worked for DR Pepper in Waco when they were first married then he got the district of Gatesville and Ft Hood with offices in Gatesville so worked out of there for a while. After Gayle left and Randy's brother went to CA to work on a big project he decided to go also. He took the kids and moved to CA. Then his brother went back to TX but soon came back to CA. Randy liked it in CA so he stayed. He has a good job as an electriton and makes real good money. So the kids have traveled back and for from CA to here and seem to like flying. Randy married 2nd to Arla in 1997 in CA. She had been married before and has a dau in school in TX and a son Jeremy who is abt same age as Caanan who was born 1983. Randy & Arla bought a new home in Newbury Park, CA in 2001 and plan to move in around Aug-Sep of 2001. Arla had breast cancer last year and is getting over that. They divorced bef 2002. Both work at Amgam Co. Randy will go to Puerto Rico in the Oct 2002 for 3 years and Caanan will go there abt Jan for year and prob. work for Amgam also while there then come back to CA and go back to college. Randy stayed in puerto Rico about 3 years or so and kids would go visit him there. He met Sue while there and then Randy got sent to Boulder, Co. where he stayed for few years then married Sue there the 16 Aug 2008. Kids went there to visit them as well. Then he got transfered to KY where he was working for AMGAM yet and Sue went to work at Staging houses for sale. They bought a hugh home and acreage and he almost gutted the home and redid wth whole inside and it is georgous, really did a good job of it. They have a large pool and hugh barn where they keep the large motor home and furniture Sue uses and have 4 little horses and a shelter for them and put up a little area to pplay golf and have a pond with geese in it and a barn cat and big dog and little dog. 2018 when we all were there I stayed at his house as did Brittany and so got to see the baby every day. Gayle, Steve, Matt an Misty and 6 of 8 kids stated at Caanan's place and spent every day at Randy's because he had more area. Their home is in Simpsonville, KY abt 15 min from Caanan's home in Shelbyville, KY. Which he didn't but came back to CA then moved to Seattle, WA where he still lived until they decided to come to KY where his dad was. Left Seattle Jul 2017 and traveled for months in travel trailer all over West and south and came to Iowa In Nov 2017 and was going on to KY and by January they found a house and moved in at Shelbyville, KY. Caanan came back to IA to get his cats that Gayle had been keeping for him. Then in Aug 2018 Caanan wanted us to all come to Ky to see them and we went the 10th of Aug for his 35th birthday on the 12th. Steve, Gayle and I from IA, Brittany, Sergio, Emeryson flew from CA and Misty and Matt and 6 of 8 kids came from FL. Had been a long time since I had seen Randy but it felt just like old times and Sue was so nice, really got to talk to her as I stayed at their house as did Brittany so I got to see Emeryson every day and the others stayed

at Caanan's house.

But were at Randy's every day anyway as his house was bigger and had a bigger pool and more space to road. So worked out really good. Probably only time we will all be together but was nice the one time. Have pic of all 18 of us there.

WIFE - Gayle Renee' Houser

Gayle started school in Bad Nauheim, Germany and then went for a year in Murnau, Germany and 2 years in Aberdeen, MD besides Davenport and Bettendorf. Gayle left school when she had 3 months left to graduate but didn't want to finish. However while she was in TX she did get her GED so she has her deploma with no problems. Just breezed thru the test.

Gayle moved out when she quit school and was living with Daniel Gentile and had a daughter Dec 1976 by him but couldn't raise the child so put her up for adoption. Had note that friend of lawyer Mrs Crutz set up adoption and she was adopted by Robert Hastings. She, Misty didn't find out she was adopted until 1996 and then wanted to meet her biological parents so it was arranged.

Mother gave her the name of Maria Donata Gentile. Adoptive parents named her Misty Gale Hastings.

Gayle had various jobs and many problems which she had to work out herself.

She and her sister Sheri came to TX in 1981 and Sheri went to Dallas and Gayle stayed in Gatesville where she met Randy and they were married 1982 and had 2 children and couldn't make it work so she left and the children stayed with Randy. She went back to try again but didn't work so she moved back to Davenport and went to work. Her sister came back also and they had an apt together for a while, until Sheri moved to MN.

Gayle met Tom and started going with him and they had a nice house in Park View and she had the children during the school year and Randy had them or the summer. Then things started going bad and kids went back to California to their dad's for a while and then by Jul 1993 Gayle was to have them for 2 years. She got an apartment in Park View again and had a good job working as secretary for a small company dealing with golf equipment. Likes it real well.

1993-Caanan is 10 and in the 5th grade and Brittany is 8 and in the 2nd grade at Neil Armstrong School in Park View.

1994 Nov, Gayle moved to California and Randy and his sister in law said they could get her a job at AMJAM where they all worked so she went there but things didn't work out and wasn't able to get a job there and nothing else paid enough to stay there as living is so high there. So Jul 1996 she came back to Bettendorf and started working at Ross's again then got a couple part time jobs and will get her own apartment again prob. by the first of Sep. Caanan and Brittany came to spend 10 days from 17 Aug to 26th of Aug. They flew by themselves from CA. Caanan just turned 13 and will be in 8th grade and Brittany just was 11 in Mar and she will be in 5th grade.

1996 Aug, Gayle moved back to Bettendorf, IA and started work at Ross's. Moved into her own apartment downtown so would be closer to work by Sept. Shortly after that she met Rick and has spent much of her off time with him at his home in Moline.

She ran into someone that had information about the daughter she gave up for adoption and said she had been looking for her biological mother and gave Gayle her phone number and Gayle called her 17 Feb 1997, on Gayles birthday and had a very nice talk with her. She lives in Glendale, AZ and was married to Nick Perry and had a son Travis, 6 months of age. They were going to exchange pictures and keep in touch.

Mar 1997, Gayle brought Misty and Travis here (Mother & Dad's) for the afternoon 16 Mar and had a nice visit. It was unreal who much they resemble each other. Travis was very well behaved and was very happy. She said he was usually good. Was just 7 months old and very stocky but is just crawling and rolling around now. After they left here they were going to her fathers, Danny's folks for while then Danny was going to take them out for supper. She will have quite a trip to remember but she seems so very well adjusted and at least doesn't have any of Gayle's bad traits and she is well pleased with the way she was raised and her parents but just wanted to meet her real parents, which in this day is normal for most adopted children it seems. With so many health problems it may be for the better.

Caanan and Brittany and Misty were all at Gayle and Ricks in Jul 1997 and again in Jul 1998.

Gayle went home to stay for while until she found a full time job in Aug 1998 then by Oct 1998 she found a job and

got an apartment in Moline. Started working at John Deere Insurance Co. full time as temp but hoping to work into full time permanent.

1999 Still working at John Deere and taking computer classes to see about permanent job but needed the training first. Brittany come this summer and Caanan wanted to stay in CA and work. Brittany stayed about 6 weeks 6 Jul to 16 Aug 1999. Misty was planning on coming also but she had a baby the 3rd of June, Bryana Nicole Perry so she had to stay in AZ. this summer.

Oct. she starts new job at John Deere, so hopefully her training will pay off. Sure good pay plus several benefits so hope it works out, should know for sure in Jan 2000.

2001 Gayle still working at John Deere and hoping to get her drivers licence back by Sept. but didn't. She went to CA to Caanan's high school graduation in June and enjoyed that. Neither kids will come this year as Caanan is working at drug store developing pictures till fall when he will go to Community College and Brittany is working at Subway so wasn't coming either. Misty came up for grad. also from AZ then Brittany did go home with her for few days.

2002 June Gayle flew to AZ to see Misty and Travis and Bryana and Caanan and Brittany flew from CA to spend the week with them and all had a good time.

1 Nov 2002 she moved back in with Rick again to see if would work which it didn't so she bought a condo in Coal Valley. Ended up selling it and moving in with sister Sheri.

Oct 2002 Randy went to work in Puerto Rico for 3 years and was to come back to CA for Xmas then all family was going there for vacation then Caanan was going to stay there and Brittany and Arla were flying back to CA. Caanan maybe plans to stay a year. He started working at Amgam where his father works this summer and will work for them in Puerto Rico as well. What an experience.

2005- Gayle met Terry first part of year and Oct moved in with him. He has a home in Coal Valley and she is going to rent out her condo. She was going to CA in Nov to see the kids but they decided it was better for them to come here in Mar during school break and they could see everyone as hadn't been to Iowa in few years. That didn't last long.

2006 still working at John Deere and in June she broke her neck when diving in her pool and so was in brace for several weeks then in Sep she had surgery on her neck.

Not sure which year John Deere sold insurance business to United Health maybe 2007 but she was able to keep her job. She stayed at United Health then for 9 years total, Deere & United.

Did not have good years as back to drinking and spent some time in jail and out 2009 she met Phil and from there down hill all year.

28 Dec 2009 was picked up for drinking and driving and stayed in jail in Rock Island till Feb then they sent her to another place for short time then was sent to Decatur, IL for rest of her sentence which was 4 years but shortened to a year or yr and 1/2 not sure. She had to have some take care of her business so she had the owner of the Condo do it. Renting the condo and then will probably sell it when she gets out. She lost job, dog, cats and basicly her life for while and probably won't help much after she gets out unless she has really changed.

She stayed with someone for while then went back to her condo till Apr 2011 and moved in with Sheri and Jason in Sheri's trailer. Got a job at one place but they kept cutting her hours so she found another job at a restr. that was closer to them and was able to get full time work there and with tips should do pretty good.

Was able to take a trip to FL to see grandkids as Misty paid for her plane ticket so she did that before she started looking for work after moving in with Sheri.

2013 Still at Sheris and working on internet from home so doesn't have to get somewhere every day. Has her share of boy friends or at least male friends so does get out but still having a problem with drinking and guess she always will I think.

She had a week of running around in June with former male classmates from high school reunion that she helped get together so took the week off work which she could probably use.

Misty and Matt had a boy they named Sage last of May but he died in couple days of undeveloped heart and they

couldn't save him.

Gayle says Brittany is doing real good and living with her boy friend Sergio and doing makeup and hair and has a gig with a TV show doing that for 4 of the stars of that show. Find out later what is I guess (July). Caanan is still living in Seattle but sort of living like Gayle did and sure hope he realizes it soon he can't live that way or will be in same fix as Gayle has been all her adult life.

A neighbor next door to Sheri was going to sell his trailer early 2013 and said he would sell it to Gayle for \$4000 so thought it was a good deal but when got into it it needed more then she could handle but decided to keep working at a little at a time and wil get it fixed to suit her soon. She just couldn't stay at Sheri's any longer as they just weren't getting along and Gayle and Jason were drinking more also.

But finally by Apr 2014 she has decided she needs help and got signed up for Medicaid as Sheri has so she can get medical treatment and try to get her straightened out. She lost her job with Best Buy on internet as she was doing a another job she should have been doing so decided to take unemployment until she gets back from a week in CALifornia to see the kids the last week of Apr then she will start looking for another internet job. Misty is coming from FL and Caanan is coming from Seattle and they will stay at Brittany's outside Los Angeles.

Aug 2014 Gayle finally got another job on the internet which pays more then the other one she had and thinks she will like it better. Going to Therapy and shortly will start meds to help her depression. That didn't work out as she said it was no help. So still drinking.

She was told Brittany and Sergio Millas became engaged this summer and going to be married next year but don't know where as yet. CA, Mexico or maybe even KY where her father is.
They will be married 14 Nov 2015 in Cancun, Mexico. Sounds like all her family will be there.

Gayle back with another guy and both of them drinking allnight and fighting and arguing all the time so can't understand why she can't get along with anyone. Jason drinking with them all the time too. She and Steve all okay for while then start fighting again, then back again.

May 2015 She started thinking about moving to Gatesville, since the Bush family is there that she knows and thinks can start a new live. She needs to start it before she moves if she does. That also may not come to anything. Probably nothing will come of it.

Quit her last job in fall and couldn't get another one because thought too close to the wedding and she had that paid for so didn't want to start something and then have to leave.

Here it is last of Dec 2015 and she still doesn't have a job but back with Steve and he is probably supporting her again. At least they seem to be getting along better but both still drinking too much.

1 Jan 2016 her sister died and Jason didn't want her mobile home so Gayle and Steve bought it from him and then sold her mobile home but didn't last long with Steve as they just weren't getting along so she told him to move out and she found a lady that was working as theripist in a nursing home to move in and help with expensis so that was good. Think she can make it that way.

Gayle living with Steve Philips in Sheri's trailer and fixed it up really nice. Sold her's.

2016 She finally got a job where Jason is working but has to work nights but its a job and she has a car to get to work, now just has to get a licence but has to have oney for lawyer to do that so she plans to do that when she gets her money in Feb. Then she has one more year she will get it and that will be all the extra she gets from her dad's estate. I think that made a change in her as well as she has finally decided to stop drinking, , going to AA and has a good sponser so hope it will last.

Jason didn't want Sheri's mobile home so Gayle and Steve bought it from him and she sold hers.
She fixed it up and is really nice. She knows how to decorate.

The year is almost over and now Oct. she has decided to try to quit drinking so going back to AA and will need to to get her licence probably and she needed to quit anyway as she finally realized.
It was no life living like she was.

22 Nov-29 Nov 2016 went to FL to see her daughter and 9 granchildren for Thanksgiving. They wanted her to come so was able to get off work.

WIFE - Gayle Renee' Houser (Continued)

She did stop drinking and still has and is so much better and Steve has cut way back as well so that is good. Getting along much better as well.

Nov 2017 Gayle started working in stock area in Walmart on West Kimberly 2 to 11. Same time Steve was working at factory in Eldridge. Okay at first as wanted same hours so could go together to work and home in winter if bad. As didn't want to put ore money into the van but then something didn't go right and so had to get the van going again anyway. Won't go into all that.

Just glad they both are now working and getting along good.

Caanan was suppose to come for Thanksgiving but they decided to go to Nashville then to KY and Kristine had to go back to Seattle for a week for work so he went with her and then should be here about the 2nd week of Dec. will see. Gayle has his 2 cats so they have to come sometime to get them. then going to find a place to live somewhere between Louisville and Nashville so are the plans now. Kristine has kept her job all the time they have been traveling since June from Seattle but has to go back every 6 weeks. So Caanan weill have to find a job whenever they settle where ever they decided to.

Jan 2018 Caanan came back and got his 2 cats and they bought a house first of Jan in Shelbyville, KY about 15 min from Randy's and Sue (his father) and he is working at a resturant and bar for while then finally got a good job at KY State Farm as technical work. Kristine able to keep her job from Seattle. Caanan wanted all of us to come to KY in Aug for his birthday on the 12th so Steve drove my car and Gayle and I came from IA on the 10th and Brittany, Sergio and Emeryson flew there and Randy picked them up. Misty and Matt and 6 of 8 kids drove there there from FL. All there a week. Spent must of the time at Randy's as had bigger house, pool and area to go around in. Brittany and I stayed at Randy's and all others was at Caanan's. Good as I got to see Emeryson every day. It was great seeing the gr grandchildren for the first time but also glad to get home.

Steve had upset at work and so found another job at Sylvier Steel and starting last Week of Oct hopefully. Gayle cut back to 4 days a week as just too hard on her back.

They will have the mobile home paid for in Nov so that will help their finances as well. Won't help Jason as he used that to pay on his mobile home in Walcott.

Caanan is working at the drug store and also at a mens clothing store for the summer then this winter he is taking off college for the year and going to Puerto Rico with his dad and work for Amgam while there. He started work for them this summer but left the clothing store but working at the drug store on weekends. Then come back and go back to college. Plans to stay there a year maybe.

Dear Mom + Dad,

Happy Mothers Day, Mom!

Every year I experience what its like raising kids I appreciate you more and wonder why your not a "nut case". Its a tough job and its too bad we dont realize that until were parents ourselves. I give you guys alot of credit for surviving parenthood. I know all three of our kids didnt turn out the way you would of liked but then who ever does. Its been a slow process for me but Im really starting to grow up and Im trying harder to live right, not perfect mind you, but right. Im grateful you both taught me to be independant and to work without always expecting something in return. I look at these kids now and if its not fun or if they dont get paid for it they wont do it. Its not all their fault we let them get away with it. Im glad you guys were stronger then we are today. Anyway I just wanted to tell

you Thanks.

I havent forgotten the video tape its still in the process of being made. I found trying to put more then 20 mins of interesting tape together is tough. I figure another week and I should have at least 1 1/2 hours of tape to send.

I Love you Both and
enjoy your day Mom.

Talk to you soon

Notes

HUSBAND - Caanan Scott Bush

Have birth certificate of Caanan. Was born 5:26 a.m. Was 6 lbs 13 oz, 19 1/2 in. long.

1993-Caanan is 10 years old and is in the 5th grade at Neil Armstrong school in Park View. He likes nintendo and computers and outdoor sports.

1999 Caanan will be 16 in Aug and is well over 6 foot tall. He has played baseball, basketball and in very good in track. They have flown here from CA every summer to spend at least a month with their mother. Their half sister, Misty Perry of AZ also tries to come when they are here and has the last 3 years but doubt this year as she is expecting a new arrival the last of June.

Caanan and Brittan have gone to AZ few times to spend with Misty as well.

2001 June Caanan graduated from High School in Newbury Park, CA. His whole family was there and his mother came from Iowa and his half sister, Misty for AZ also came. He plans to go to Community College in the fall. Working at a drug store developing pictures during summer.

2002- June Caanan and Brittany flew to AZ to spend week with Misty and their mother as she flew from here. Caanan is working at the drug store and also at a mens clothing store for the summer then this winter he is taking off college for the year and going to Puerto Rico with his dad and work for Amgam while there. He started work for them this summer but left the clothing store but working at the drug store on weekends. Then come back and go back to college. Plans to stay there a year maybe.

Girlfriend is Kristina Sales and she works first in CA where she met Caanan then when he moved to WA, she moved there and got a job there as well. Not sure how long they have been together but maybe thinking of mg? Not sure if Kris bowls but Caanan is on a league and he has a high average and likes it and Brittany and Sergio bowls in CA also.

2015 Way behind in Caanan's life. Didn't go back to college but moved to Seattle WA and has lived there a few years. Has been working since going there and says likes it. Think working for computer co now, not sure. Has a girlfriend that they might get married but not yet.

They did go to his sister, Brittany's wedding in Cancun, Mexico for week before and after the 14th of Nov when she was married to Sergiio Mallas. They live in CA outside Los Angeles. Brittany's father and wife and her mother went to the wedding.

June 2017 left Seattle, WA, Caanan and Kristine bought a trailer and new truck and are traveling the west for few months then will eventually settle somewhere between Louisville, Ky and Nashville, TN some time after the first of the year. They plan to be in Iowa with mother and grandmother Thanksgiving and go on to his fathers in Louisville. Kristina has a good job that she can do all the time they are traveling, just have to go back to Seattle once every 6 weeks or so and then still do her job where ever they settle. Then Caanan will find a job and stay put for a while, at least that is their plans as of now. Nov they are in TX. & FL.

They bought a house in Shelbyville, KY in Dec and closing 16 Jan 2018.

Kristine was able to keep her job from Seattle with stipulation she has to go back every 6-8 weeks.

She is taking courses to better her career as well.

All of us were there in Aug 12 2018 for his 35th birthday. Steve drove my car with Gayle and I and Brittany, Sergio and Emeryson flew in and Randy picked them up. Then Misty and Matt and 6 of 8 children drove from FL. All of us there a week. Brittany and I stayed at Randy's and rest of them stayed at Caanan's. But most of the time was spent at Randy's as he had bigger house and bigger pool and more to do there.

The last day all there on Tuesday the 14th Aug 2018 Caanan proposed to Kristine in the wooded area where we had the fire and she was so shocked. Plan to marry in Oct in CA next year.

Caanan works at restruant first full time and now part time as he has a good job at KY Farm Bueaur? in the technical department.

Petition demands action on bike path

Bettendorf and Davenport officials need to act now to insure safety on the bike path that joins the cities, say promoters of a petition drive that will be conducted on the path today.

WOC-AM radio talk show host Bruce Butler is scheduled to broadcast from the path today to encourage path users to sign a petition. Butler initiated the petition after learning of at least five assaults on the path in the past six weeks.

The petition states: "We respectfully request that the city councils of both communities take action now to insure that all citizens may continue to utilize this recreational area."

Butler will broadcast 9 to 11 a.m. on the portion of the path that runs behind WOC studios at 3535 East Kimberly Road, Davenport.

Family Group Record

Husband	Daniel Gentile
Wife	Gayle Renee' Houser
Notes	HUSBAND - Daniel Gentile Gayle had a daughter fathered by Daniel Gentile. They were never married and gave the child up for adoption. Daniel born 1959. WIFE - Gayle Renee' Houser Gayle started school in Bad Nauheim, Germany and then went for a year in Murnau, Germany and 2 years in Aberdeen, MD besides Davenport and Bettendorf. Gayle left school when she had 3 months left to graduate but didn't want to finish. However while she was in TX she did get her GED so she has her deploma with no problems. Just breezed thru the test. Gayle moved out when she quit school and was living with Daniel Gentile and had a daughter Dec 1976 by him but couldn't raise the child so put her up for adoption. Had note that friend of lawyer Mrs Crutz set up adoption and she was adopted by Robert Hastings. She, Misty didn't find out she was adopted until 1996 and then wanted to meet her biological parents so it was arranged. Mother gave her the name of Maria Donata Gentile. Adoptive parents named her Misty Gale Hastings. Gayle had various jobs and many problems which she had to work out herself. She and her sister Sheri came to TX in 1981 and Sheri went to Dallas and Gayle stayed in Gatesville where she met Randy and they were married 1982 and had 2 children and couldn't make it work so she left and the children stayed with Randy. She went back to try again but didn't work so she moved back to Davenport and went to work. Her sister came back also and they had an apt together for a while, until Sheri moved to MN. Gayle met Tom and started going with him and they had a nice house in Park View and she had the children during the school year and Randy had them or the summer. Then things started going bad and kids went back to California to their dad's for a while and then by Jul 1993 Gayle was to have them for 2 years. She got an apartment in Park View again and had a good job working as secretary for a small company dealing with golf equipment. Likes it real well. 1993-Caanan is 10 and in the 5th grade and Brittany is 8 and in the 2nd grade at Neil Armstrong School in Park View. 1994 Nov, Gayle moved to California and Randy and his sister in law said they could get her a job at AMJAM where they all worked so she went there but things didn't work out and wasn't able to get a job there and nothing else paid enough to stay there as living is so high there. So Jul 1996 she came back to Bettendorf and started working at Ross's again then got a couple part time jobs and will get her own apartment again prob. by the first of Sep. Caanan and Brittany came to spend 10 days from 17 Aug to 26th of Aug. They flew by themselves from CA. Caanan just turned 13 and will be in 8th grade and Brittany just was 11 in Mar and she will be in 5th grade. 1996 Aug, Gayle moved back to Bettendorf, IA and started work at Ross's. Moved into her own apartment downtown so would be closer to work by Sept. Shortly after that she met Rick and has spent much of her off time with him at his home in Moline. She ran into someone that had information about the daughter she gave up for adoption and said she had been looking for her biological mother and gave Gayle her phone number and Gayle called her 17 Feb 1997, on Gayles birthday and had a very nice talk with her. She lives in Glendale, AZ and was married to Nick Perry and had a son Travis, 6 months of age. They were going to exchange pictures and keep in touch. Mar 1997, Gayle brought Misty and Travis here (Mother & Dad's) for the afternoon 16 Mar and had a nice visit. It was unreal who much they resemble each other. Travis was very well behaved and was very happy. She said he was usually good. Was just 7 months old and very stocky but is just crawling and rolling around now. After they left here they were going to her fathers, Danny's folks for while then Danny was going to take them out for supper. She will have quite a trip to remember but she seems so very well adjusted and at least doesn't have any of Gayle's bad traits and she is well pleased with the way she was raised and her parents but just wanted to meet her real parents, which in this day is normal for most adopted children it seems. With so many health problems it may be for the better. Caanan and Brittany and Misty were all at Gayle and Ricks in Jul 1997 and again in Jul 1998. Gayle went home to stay for while until she found a full time job in Aug 1998 then by Oct 1998 she found a job and got an apartment in Moline. Started working at John Deere Insurance Co. full time as temp but hoping to work into full time permanent.

Notes	
WIFE	- Gayle Renee' Houser (Continued) 1999 Still working at John Deere and taking computer classes to see about permanent job but needed the training first. Brittany come this summer and Caanan wanted to stay in CA and work. Brittany stayed about 6 weeks 6 Jul to 16 Aug 1999. Misty was planning on coming also but she had a baby the 3rd of June, Bryana Nicole Perry so she had to stay in AZ. this summer. Oct. she starts new job at John Deere, so hopefully her training will pay off. Sure good pay plus several benefits so hope it works out, should know for sure in Jan 2000. 2001 Gayle still working at John Deere and hoping to get her drivers licence back by Sept. but didn't. She went to CA to Caanan's high school graduation in June and enjoyed that. Neither kids will come this year as Caanan is working at drug store developing pictures till fall when he will go to Community College and Brittany is working at Subway so wasn't coming either. Misty came up for grad. also from AZ then Brittany did go home with her for few days. 2002 June Gayle flew to AZ to see Misty and Travis and Bryana and Caanan and Brittany flew from CA to spend the week with them and all had a good time. 1 Nov 2002 she moved back in with Rick again to see if would work which it didn't so she bought a condo in Coal Valley. Ended up selling it and moving in with sister Sheri. Oct 2002 Randy went to work in Puerto Rico for 3 years and was to come back to CA for Xmas then all family was going there for vacation then Caanan was going to stay there and Brittany and Arla were flying back to CA. Caanan maybe plans to stay a year. He started working at Amgam where his father works this summer and will work for them in Puerto Rico as well. What an experience. 2005- Gayle met Terry first part of year and Oct moved in with him. He has a home in Coal Valley and she is going to rent out her condo. She was going to CA in Nov to see the kids but they decided it was better for them to come here in Mar during school break and they could see everyone as hadn't been to Iowa in few years. That didn't last long. 2006 still working at John Deere and in June she broke her neck when diving in her pool and so was in brace for several weeks then in Sep she had surgery on her neck. Not sure which year John Deere sold insurance business to United Health maybe 2007 but she was able to keep her job. She stayed at United Health then for 9 years total, Deere & United. Did not have good years as back to drinking and spent some time in jail and out 2009 she met Phil and from there down hill all year. 28 Dec 2009 was picked up for drinking and driving and stayed in jail in Rock Island till Feb then they sent her to another place for short time then was sent to Decatur, IL for rest of her sentence which was 4 years but shortened to a year or yr and 1/2 not sure. She had to have some take care of her business so she had the owner of the Condo do it. Renting the condo and then will probably sell it when she gets out. She lost job, dog, cats and basically her life for while and probably won't help much after she gets out unless she has really changed. She stayed with someone for while then went back to her condo till Apr 2011 and moved in with Sheri and Jason in Sheri's trailer. Got a job at one place but they kept cutting her hours so she found another job at a restr. that was closer to them and was able to get full time work there and with tips should do pretty good. Was able to take a trip to FL to see grandkids as Misty paid for her plane ticket so she did that before she started looking for work after moving in with Sheri. 2013 Still at Sheris and working on internet from home so doesn't have to get somewhere every day. Has her share of boy friends or at least male friends so does get out but still having a problem with drinking and guess she always will I think. She had a week of running around in June with former male classmates from high school reunion that she helped get together so took the week off work which she could probably use. Misty and Matt had a boy they named Sage last of May but he died in couple days of undeveloped heart and they couldn't save him. Gayle says Brittany is doing real good and living with her boy friend Sergieo and doing makeup and hair and has a gig

with a TV show doing that for 4 of the stars of that show. Find out later what is I guess (July). Caanan is still living in Seattle but sort of living like Gayle did and sure hope he realizes it soon he can't live that way or will be in same fix as Gayle has been all her adult life.

A neighbor next door to Sheri was going to sell his trailer early 2013 and said he would sell it to Gayle for \$4000 so thought it was a good deal but when got into it it needed more then she could handle but decided to keep working at a little at a time and wil get it fixed to suit her soon. She just couldn't stay at Sheri's any longer as they just weren't getting along and Gayle and Jason were drinking more also.

But finally by Apr 2014 she has decided she needs help and got signed up for Medicaid as Sheri has so she can get medical treatment and try to get her straightened out. She lost her job with Best Buy on internet as she was doing a another job she should have been doing so decided to take unemployment until she gets back from a week in California to see the kids the last week of Apr then she will start looking for another internet job. Misty is coming from FL and Caanan is coming from Seattle and they will stay at Brittany's outside Los Angeles.

Aug 2014 Gayle finally got another job on the internet which pays more then the other one she had and thinks she will like it better. Going to Therapy and shortly will start meds to help her depression. That didn't work out as she said it was no help. So still drinking.

She was told Brittany and Sergio Millas became engaged this summer and going to be married next year but don't know where as yet. CA, Mexico or maybe even KY where her father is.

They will be married 14 Nov 2015 in Cancun,Mexico. Sounds like all her family will be there.

Gayle back with another guy and both of them drinking allnight and fighting and arguing all the time so can't understand why she can't get along with anyone. Jason drinking with them all the time too. She and Steve all okay for while then start fighting again, then back again.

May 2015 She started thinking about moving to Gatesville, since the Bush family is there that she knows and thinks can start a new live. She needs to start it before she moves if she does. That also may not come to anything. Probably nothing will come of it.

Quit her last job in fall and couldn't get another one because thought too close to the wedding and she had that paid for so didn't want to start something and then have to leave.

Here it is last of Dec 2015 and she still doesn't have a job but back with Steve and he is probably supporting her again. At least they seem to be getting along better but both still drinking too much.

1 Jan 2016 her sister died and Jason didn't want her mobile home so Gayle and Steve bought it from him and then sold her mobile home but didn't last long with Steve as they just weren't getting along so she told him to move out and she found a lady that was working as therapist in a nursing home to move in and help with expensis so that was good. Think she can make it that way.

Gayle living with Steve Philips in Sheri's trailer and fixed it up really nice. Sold her's.

2016 She finally got a job where Jason is working but has to work nights but its a job and she has a car to get to work, now just has to get a licence but has to have oney for lawyer to do that so she plans to do that when she gets her money in Feb. Then she has one more year she will get it and that will be all the extra she gets from her dad's estate. I think that made a change in her as well as she has finally decided to stop drinking, , going to AA and has a good sponser so hope it will last.

Jason didn't want Sheri's mobile home so Gayle and Steve bought it from him and she sold hers. She fixed it up and is really nice. She knows how to decorate.

The year is almost over and now Oct. she has decided to try to quit drinking so going back to AA and will need to to get her licence probably and she needed to quit anyway as she finally realized. It was no life living like she was.

22 Nov-29 Nov 2016 went to FL to see her daughter and 9 granchildren for Thanksgiving. They wanted her to come so was able to get off work.

She did stop drinking and still has and is so much better and Steve has cut way back as well so that is good. Getting along much better as well.

	Nov 2017 Gayle started working in stock area in Walmart on West Kimberly 2 to 11. Same time Steve was working at factory in Eldridge. Okay at first as wanted same hours so could go together to work and home in winter if bad. As didn't want to put ore money into the van but then something didn't go right and so had to get the van going again anyway. Won't go into all that. Just glad they both are now working and getting along good. Caanan was suppose to come for Thanksgiving but they decided to go to Nashville then to KY and Kristine had to go back to Seattle for a week for work so he went with her and then should be here about the 2nd week of Dec. will see. Gayle has his 2 cats so they have to come sometime to get them. then going to find a place to live somewhere between Louisville and Nashville so are the plans now. Kristine has kept her job all the time they have been traveling since June from Seattle but has to go back every 6 weeks. So Caanan weill have to find a job whenever they settle where ever they decided to. Jan 2018 Caanan came back and got his 2 cats and they bought a house first of Jan in Shelbyville, KY about 15 min from Randy's and Sue (his father) and he is working at a resturant and bar for while then finally got a good job at KY State Farm as technical work. Kristine able to keep her job from Seattle. Caanan wanted all of us to come to KY in Aug for his birthday on the 12th so Steve drove my car and Gayle and I came from IA on the 10th and Brittany, Sergio and Emeryson flew there and Randy picked them up. Misty and Matt and 6 of 8 kids drove there there from FL. All there a week. Spent must of the time at Randy's as had bigger house, pool and area to go around in. Brittany and I stayed at Randy's and all others was at Caanan's. Good as I got to see Emeryson every day. It was great seeing the gr grandchildren for the first time but also glad to get home. Steve had upset at work and so found another job at Sylvier Steel and starting last Week of Oct hopefully. Gayle cut back to 4 days a week as just too hard on her back. They will have the mobile home paid for in Nov so that will help their finances as well. Won't help Jason as he used that to pay on his mobile home in Walcott.
CHILD 1	- Misty Gale Houser-Hastings
	She was given the name Marie Donota Gentile- Houser, and she was put up for adoption as Gayle had no way to care for the baby. Adopted 17 Dec 1976. Father was Daniel Gentile. Her name was changed when adopted to Misty Gale Hastings. Several coincidence's here as middle name given was Gale said after god mother and Misty was married on same day mother was born. In her pictures she sent, she looks a lot like Gayle and did when small at different ages as well. Very pretty girl. Was adopted by Ronald Eugene and Wilma Hastings soon after birth and was raised in AZ till after md 2nd time when moved to Destin, FL Gayle was somehow connected with someone who know about her and gave her the phone number to call her. She called her 17 Feb 1997, on Gayles birthday so said had a very nice birthday for change. Her name was changed to Misty Gale Hastings and was married to a Nick Perry and lived in Glendale, AZ and had for many years (since she was 6 yrs old). She has a son Travis Perry, 6 months old in Jan. They are going to exchange pictures and keep in touch. Shortly after that Misty called and said she was flying here on the 15th March and will stay 4 days to meet Gayle. She also was going to California weekend of Easter and planning to take Caanan & Brittany out to eat. There were here on Sunday afternoon, 16 Mar 1997. Had a very nice visit with Misty and son Travis. He was very well behaved and very happy, seems to have a real nice personality as does his mother. It was unreal how much Gayle and Misty looked alike. So we took 5 generation pictures while they were here. Jul 1997 Misty and Travis was here to visit with Gayle and Caanan and Brittany. Then later in Aug Caanan and Brittany went to AZ to stay a week with Misty. Mar 1998 Misty and Travis were here to visit from 19th to 25th Mar. Took 5 generation pictures. Travis was walking and talking, some of which you can understand and likes to look at everything. They were back in Jul 1998 when Caanan and Brittany were here. Apr 1999 Brittany went to AZ to spend week with Misty. There is due another little Perry come last of June, a daughter Bryana Perry but made it the 3rd of June 1999. Dec 1999 they are in the process of having a new home built so plan to be in by Spring of 2000. 2002 Misty got a divorce from Nick and is living and working in Phoenix with Travis and Bryana. Caanan and Brittany comes several times to visit and they were there in June and their mother also came from Iowa

Nick works for Lexus in AZ and has been doing good and likes it.

WIFE - Misty Gale Houser-Hastings

She was given the name Marie Donota Gentile- Houser, and she was put up for adoption as Gayle had no way to care for the baby. Adopted 17 Dec 1976. Father was Daniel Gentile. Her name was changed when adopted to Misty Gale Hastings. Several coincidence's here as middle name given was Gale said after god mother and Misty was married on same day mother was born. In her pictures she sent, she looks a lot like Gayle and did when small at different ages as well. Very pretty girl. Was adopted by Ronald Eugene and Wilma Hastings soon after birth and was raised in AZ till after md 2nd time when moved to Destin, FL

Gayle was somehow connected with someone who know about her and gave her the phone number to call her. She called her 17 Feb 1997, on Gayles birthday so said had a very nice birthday for change. Her name was changed to Misty Gale Hastings and was married to a Nick Perry and lived in Glendale, AZ and had for many years (since she was 6 yrs old). She has a son Travis Perry, 6 months old in Jan. They are going to exchange pictures and keep in touch. Shortly after that Misty called and said she was flying here on the 15th March and will stay 4 days to meet Gayle. She also was going to California weekend of Easter and planning to take Caanan & Brittany out to eat.

There were here on Sunday afternoon, 16 Mar 1997. Had a very nice visit with Misty and son Travis. He was very well behaved and very happy, seems to have a real nice personality as does his mother. It was unreal how much Gayle and Misty looked alike. So we took 5 generation pictures while they were here.

Jul 1997 Misty and Travis was here to visit with Gayle and Caanan and Brittany. Then later in Aug Caanan and Brittany went to AZ to stay a week with Misty.

Mar 1998 Misty and Travis were here to visit from 19th to 25th Mar. Took 5 generation pictures. Travis was walking and talking, some of which you can understand and likes to look at everything. They were back in Jul 1998 when Caanan and Brittany were here.

Apr 1999 Brittany went to AZ to spend week with Misty. There is due another little Perry come last of June, a daughter Bryana Perry but made it the 3rd of June 1999. Dec 1999 they are in the process of having a new home built so plan to be in by Spring of 2000.

2002 Misty got a divorce from Nick and is living and working in Phoenix with Travis and Bryana. Caanan and Brittany comes several times to visit and they were there in June and their mother also came from Iowa to spend a week with them and all had great time. Misty became a director for Pamperd Chef's Cookery also last of the year. She had been selling that for some time.

2003 Misty is getting married again to Matt Parenzan in Mesa, AZ on the 19 of Jan. They plan to move to Dallas, TX Feb as Matt is to work for his fathers business there. Believe in construction. Misty is pregnant so there will be another child later in the year. They had planned to get married anyway but this just moved it up a little. Ended up they moved to Niceville, FL before Aug 31st when their daughter Dilan Riley was born.

2008 Misty and Matt had another daughter Zoe Michelle Parenzan born 31 Jan 2008 in FL. They were living just outside Destin, FL in Miramas Beach, FL.

WIFE	- Misty Gale Houser-Hastings (Continued) Last address was 60 Red Bay Ct, Santa Rosa Beach, FL 32459 (2015) 2017 update Misty and Matt now have had 6 girls and one boy that died right after birth and had another boy that made it. They adopted a boy so Misty has had 9 pregnancies with 1 passed on, and 1 adopted. Two from the first marriage and 7 from 2nd mg. Just bought a lot in FL and going to build a house on it. Just about done by Nov 2017. Her oldest child Travis and his girlfriend are going to have a baby, had a girl this fall? 2018 Matt and Misty built a huge house on the lot they bought and moved in June 2018. Then they and 6 of the 8 kids came to KY and we had a family reunion there, 18 of us. First time I had met any of the great grandchildren other Travis when he was 2 years old. They are building a house for Matts parents next to their, probably on the same lot as was abt 10 acres I think in Santa Rosa Beach, FL, new address is 845 Nellie Dr, Santa Rosa beach FL 32459. To be their last home they say. a Most beautiful home inside and out from pictures.
CHILD 1	- Dilan Riley Parenzan Dilan Riley weighed in at 6pd 3.8 oz and 19 in long on 31st Aug 2003. Believe she was born in FL and their address was listed as Niceville, FL but don't know if that is where she was born.

Where Sage was born 9 May 2013 and had open heart surgery the next day on the 10th and believe he made it thru the 11 to the 12th. On the 16th Thursday at 5:30 they will have a worship for him at Henderson Beach, FL Pavilion F.
CHILD 5	- Isiah "Izzie" Matthew Parenzan Isaiah was adopted by Misty and Matt. They took the mother in and paid the expenses as she couldn't keep the child and it was a boy and they had been trying for a boy for years then had Sage and he died shortly after birth so tried again and this time it was a girl again. So they will have 2 babies withing 3 months of each other to raise.
CHILD 7	- Zane August Parenzan Believe he was born at 1:50pm 22 or 23 Aug was 8 pds 1 oz. Was in good health so was glad of that.

Their half sister, Misty Perry of AZ also tries to come when they are here and has the last 3 years but doubt this year as she is expecting a new arrival the last of June. Caanan and Brittan have gone to AZ few times to spend with Misty as well.

2001 Brittany started work at Subway early in spring of this year. Later she went to work at the same drug store Caanan works at. She didn't come to Iowa this summer. Did go to AZ to visit half sister, Misty thought.

2002 June Brittany and Caanan flew to AZ to spend a week with Misty and their mother. She was going to be gone so much this summer so decided to take off work. Probably will do something when she goes back to school in the fall.

2015 14 Nov Cancun, Mexico:

Which she went back to Make up and hair college and finished another course in that.

She has been going with Sergio for few years and they have lived together for about 4 years and decided to get married 14 Nov 2015 in Cancun, Mexico so she had it all set up and pretty fancy wedding. Her dress was georgous and so did everyone else there. She had all her family there and Sergio's family as well there and others total 75. All there for a week, stayed at same Hotel that they were married at. Suppose to be outside but they had 60 % rain so thought better to go inside but was able to get outside pictures later after the short rain.

Sergio Mallas, father and brother and wife was there from Chili and his mother and another brother from CA there. Brittany's father and wife was there from KY and her mother, Gayle was there from IA and rest of 75 people in all were from CA.

Brittany has been dong hair and makeup for many weddings and several TV personility's and has got to do some traveling with some of them. Has done some video's on hair and makeup on TV and has done hair and makeup for few movies. Serigo has a great job with a sports co the NBA and computer business and does some traveling also. They go to Vegas a few time a year and meets Caanan and friend there also as well as other places like Chili and has been to Porto Rico when her father lived there then he moved to CO and got to see him more often then he moved to KY and don't see him as much.

Brittany and Sergio bowl in CA and Caanan and don't know if Kris does but he is on league in WA. He has bowled every since young.

First baby due middle of Dec 2017, Baby girl got here at 9:30 our time, CA time 11:30ca on the 23rd of Dec. Weight a little under 7 pds. Name was Emeryson Harper Millas.

Last trip was to KY to see Brittany's brother and father and ended up the whole family came there for a week in Aug 12 for Caanan's birthday. My daughter, and myself, first time to see my gr grandchildren so was quite an event. All 18 of us for a week. However did we all survive!

After they got back from KY they found a house in More Park? (Moor Park?) CA, not far from where they were living in Calabasas CA. So they are excited about that move as well.
